§ 90.15 [Reserved]

§ 90.16 Determinations and certifications of eligibility to apply for adjustment assistance.

(a) *General.* Within 60 days after the date of filing of a petition, a certifying officer shall make a determination on the petition. If, however, for any reason, a certifying officer has not made a determination in 60 days after the date of filing of the petition, the certifying officer shall make the determination as soon thereafter as possible. If the determination is affirmative, the certifying officer shall issue a certification of eligibility as provided in paragraphs (b), (c), (d) and (g) of this section. If the determination is negative, the certifying officer shall issue a notice of negative determination as provided in paragraphs (b) and (f) of this section.

(b) *Requirements for determinations.* After reviewing the relevant information necessary to make a determination, the certifying officer shall make findings of fact concerning whether:

(1) A significant number or proportion of the workers in such workers' firm (or an appropriate subdivision of the firm) have become, or are threatened to become, totally or partially separated;

(2) Sales or production, or both, of such firm or subdivision have decreased absolutely; and

(3) Increases (absolute or relative) of imports of articles like or directly competitive with articles produced by such workers' firm or an appropriate subdivision thereof contributed importantly to such total or partial separation, or threat thereof, and to such decline in sales or production. For purposes of this paragraph and part, the term *contributed importantly* means a cause which is important but not necessarily more important than any other cause.

(c) *Notice of affirmative determination and certification of eligibility.* Upon reaching a determination on a petition that a group of workers has met all the requirements set forth in section 222 of the Act and paragraph (b) of this section, the certifying officer shall issue a certification of eligibility to apply for adjustment assistance and shall promptly publish in the FEDERAL REGISTER a summary of the determination together with the reasons for making such determination (with the exception of information which the certifying officer determines to be confidential). Such summary shall include the certification of eligibility and shall constitute a Notice of Determination and Certification of Eligibility.

(d) *Contents of certification of eligibility.* The certification shall specify in detail:

(1) The firm or subdivision thereof at which the workers covered by the certification have been employed (which need not be limited to the unit specified in the petition), and may identify individual workers by name; and

(2) The impact date(s) on which the total or partial separations of the workers covered by the certification began or threatened to begin. When applicable, the certification shall specify the date(s) after which the total or partial separations of the petitioning group of workers from the firm or subdivision thereof specified in the certification are no longer attributable to the conditions set forth in paragraph (b) of this section. For purposes of this section, the *impact date* is the earliest date on which any part of the total or partial separations involving a significant
